Dear Friends,

Thank you for your thoughtful gift of \$699.00 on 12/19/2022. I am consistently overwhelmed with gratitude for people like you who choose to help end hunger in our community. **Because of you, our neighbors in need will have a place to turn—a local food pantry, meal site or a nearby Mobile Market.**

With inflation at a 41-year high, the need for assistance at local pantries is up 45%. Hardworking families who have always been able to make ends meet are struggling to cover necessities. Your generosity is making a difference for neighbors like Nell. “Times are tough right now,” she told us at a recent free food distribution. “We have to hit food banks and everything in order to make it.”

**Thank you for providing food and hope to local children, seniors and families who are facing hunger. You are making a difference.**

Warm regards,
