To Whom it May Concern,

Thank you for your donation of \$12,250.00! Your support of Daybreak is inspiring. Thank you for partnering with us to *save young lives by demonstrating love and bringing hope for their future*. The youth we serve are truly blessed by your gift in support of their successful recovery. It is only with your support that Daybreak is able to continue the work we do for young people in our communities throughout the state.

At Daybreak, we offer a safe, supportive environment where kids can fully engage in treatment. Our mission and values are founded on Hope, Faith, and Love and these principles drive everything we do. Within this environment, they learn healthy life skills and begin to build new relationships and futures for themselves — futures free from addiction and debilitating mental health challenges. Your gift is more than a donation, it is an investment in the future of our youth.

We received a phone call from a former client who previously attended Daybreak. They shared they were driving through the area and thought of their time in treatment.

"I wanted to thank you all for saving my life," they said. "I would probably not be alive without all of your help. I have been clean and sober since leaving Daybreak and I am doing really great." This is why each of our team members come to work each day, to plant seeds of hope and mentor young people so they can reunite with their family, and successfully reengage in their community. Thank you for choosing to be a significant part in the healing of a young person's heart and mind, and for having the Faith and Love to give the gift of Hope.

Love and care,
